- Many attractive fringe benefits
- Staff events

## Minimum salary

The minimum salaries at universities are governed by a collective bargaining agreement. At the level given above, the minimum salary amounts to EUR 3,578.80 gross per month (based on full-time employment).

## Applications

We shall be happy to receive your application, quoting **reference number 2024/0135**, by e-mail to [bewerbungen@vetmeduni.ac.at](mailto:bewerbungen@vetmeduni.ac.at). Please **do not forget to include the reference number**, or we shall not be able to assign your application to the correct position.

In accordance with § 41 of the 2002 Universities Act, the Vetmeduni is striving to increase the proportion of female staff members, particularly in leadership positions, and to achieve a balanced ratio of men and women on its staff, especially the scientific staff, and would thus welcome applications from qualified females. If women are underrepresented (below 50%), female candidates who are as well qualified as the most appropriate male candidates will be given preference, provided that there is no reason to prefer a particular males candidate.

There is no cost for applying for the position. However, candidates have no rights to reimbursement of any travel and accommodation costs that may arise in connection with their applications.

The Vetmeduni is proud to hold the certificate "hochschuleundfamilie" (university and family) and thus welcomes applications from people with families. We also welcome applications from persons with disabilities or chronic conditions. If you have any questions, please contact our representative for the disabled, Mr Franz Mitterbauer ([franz.mitterbauer@vetmeduni.ac.at](mailto:franz.mitterbauer@vetmeduni.ac.at)).
